Current owners

The current owners have lived in the finca for 14 years and are the second owners of the property. The first owner has built the house (to high quality German standards) and has lived in it for 3 years. The owners have always enjoyed the space and peace and quiet of their home – and the fact that it's conveniently located

at just a few minutes' drive from everything. Personal circumstances now force them to sell the finca •

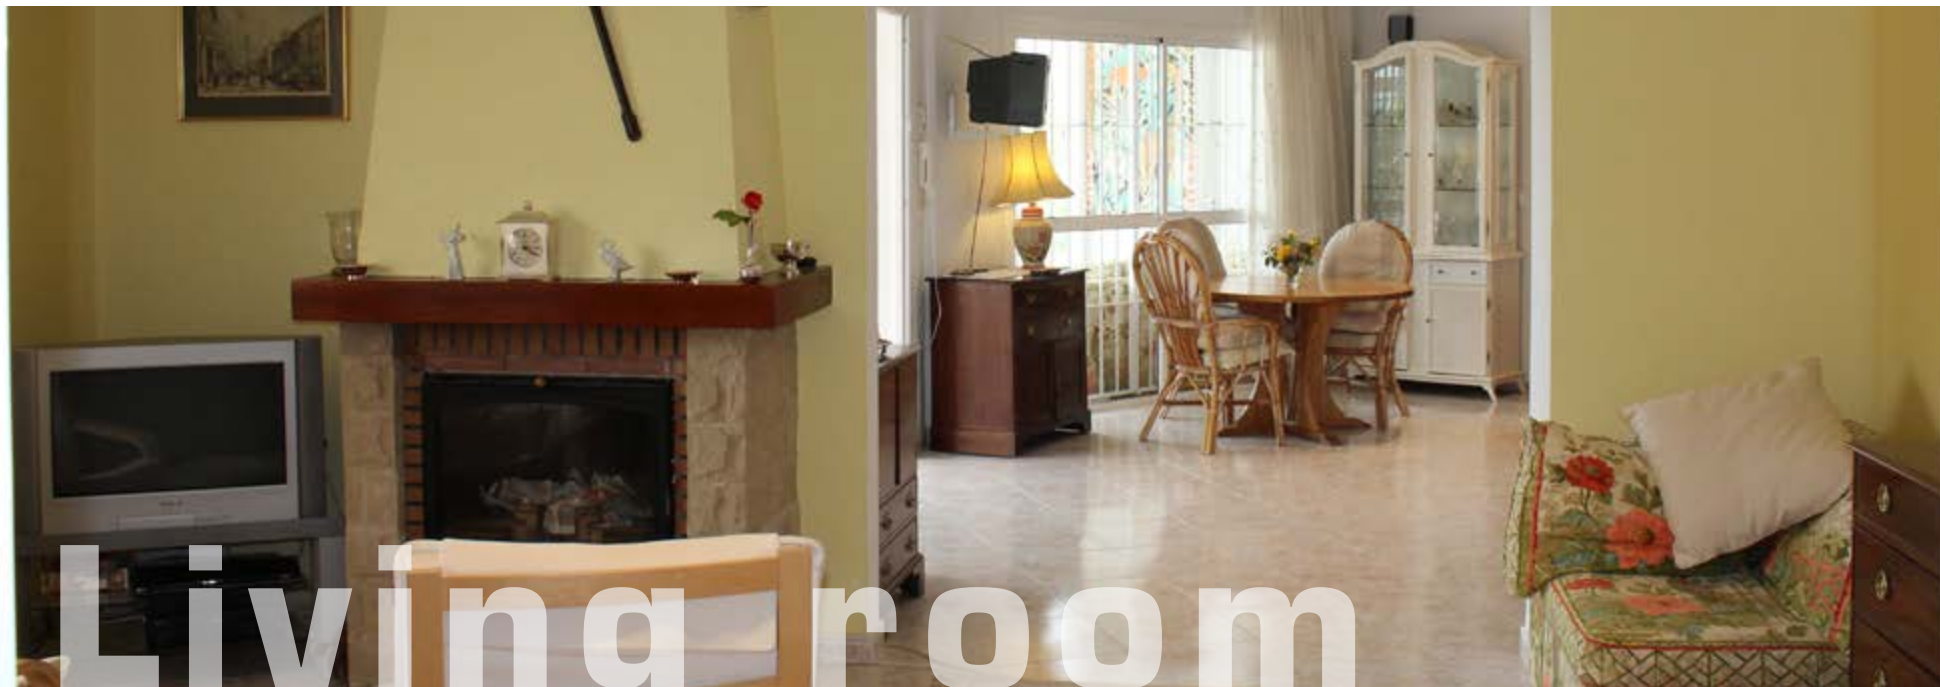

Location

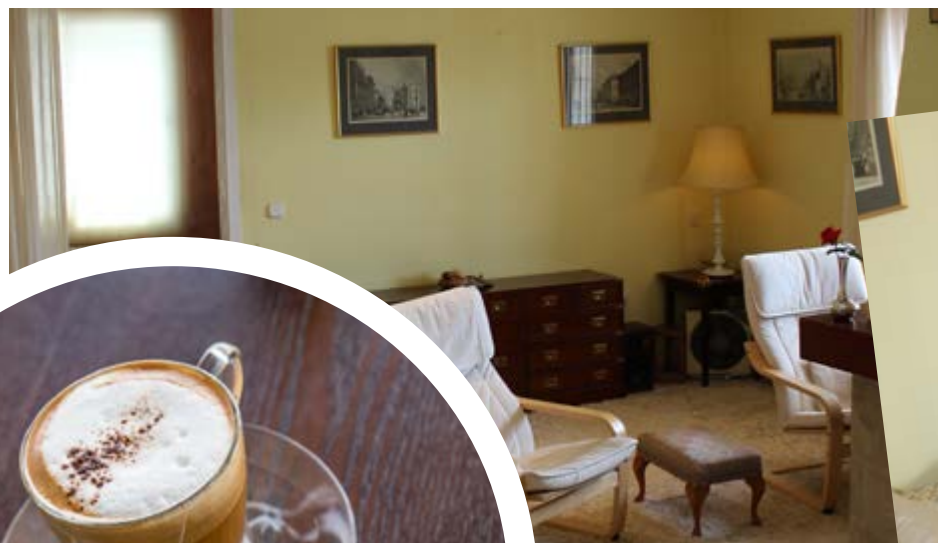

The finca is located in Alhaurin el Grande, about a 5 minute drive from shops, schools, restaurants, bars and supermarkets. Malaga, the airport and Marbella are just 20 to 30 minutes away so you can enjoy tranquillity and uninterrupted views without being 'in the middle of nowhere'. In fact you will be 'in the centre of everywhere'. Even the roads are asphalted all the way up to your gate! •

Possibilities for improvement

With few alterations such as a lick of paint in a modern colour and some contemporary furniture, this home can quickly be given a new, fresh and modern look. In addition, the kitchen and bathrooms could be modernised. With a larger renovation additional rooms can be made of the storage room on the roof terrace, the shed or the garage •
