THE VILLAGE OF BENAHAVÍS

"The dining room of the Costa del Sol"

A traditional Andalusian village, acclaimed for its gastronomic restaurants - so much so, that it is often referred to as "The dining room of the Costa del Sol".

The municipality of Benahavís stretches across the foothills of the mountain range and is shaped by three rivers, each forming its own valley. Offering a diverse landscape and some truly admirable places to visit, the area is an extremely popular tourist destination.

Benahavís holds 12 of the 70 golf courses in the Costa del Sol

Stretching from the coast road to the inland village, Benahavís covers a large footprint which is particularly popular with golfers; Los Arqueros, Guadalmina Golf course, Atalaya Golf & Country Club, La Quinta and Marbella club golf resort all fall within the Benahavís municipality.

In addition to the renowned golf resorts, the area is also home to some of the most prestigious real estate in Southern Spain: La Heredia, the popular modern Andalusian village and further elevated you will find La Zagaleta, El Madonal plus now the new Benahavís Hills Country Club.
